

JXMSN LLC Disclaimer for JokerX Platform and "House of Cards" Contest

JokerX, is a unique digital platform operated by JXMSN LLC, specializing in Non-Fungible Tokens (NFTs) as artistic creations and collectibles, and to the associated "House of Cards" contest.

Nature and Purpose of NFTs: The JokerX NFTs are unique digital representations of artworks or items, backed by blockchain technology. Additionally, participants can earn a Rake Mastery Code (RMC) by selling three NFTs, which allows for additional "Rake" winnings.
